

Christie's Education Luxury Masterclass Certificate

The Luxury Masterclass Certificate is a truly innovative programme, bringing together the best of online, live and virtual learning. We've taken everything that we pioneered in distance learning over the pandemic, brought that together with our exceptional existing programming, and created a twelve month certificate programme that ensures you get the most — and the best value — out of your studies with us.

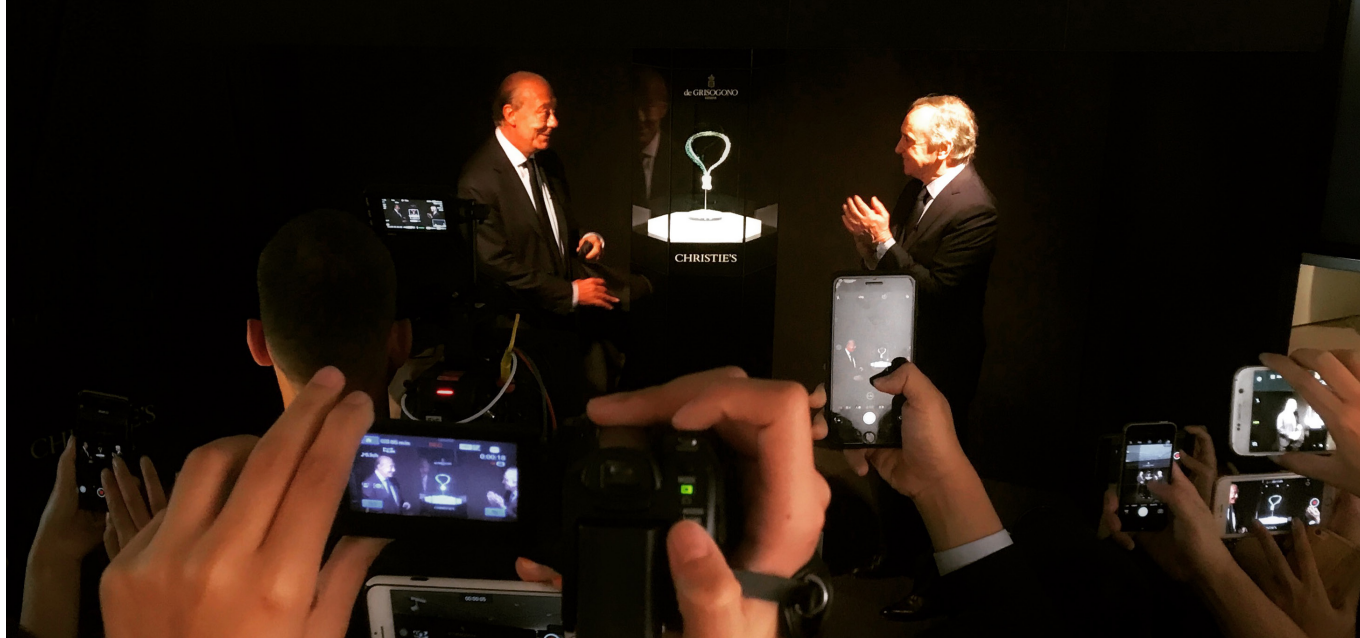

Focusing on jewellery, watches, handbags and luxury brands, you will study a selection of four pre-recorded online courses and two live virtual courses, allowing you to spread your learning across the year to best fit with your schedule. Each pre-recorded online class is of a recommended six-week* duration, while the live virtual courses are each intensive five-day programmes.

** Five-week duration for mandatory Watches course*

What you will learn

- Develop a solid understanding of the design, value and history of Jewellery, Watches and Handbags over the twentieth and twenty-first centuries
- Understand the unique structures of the luxury markets
- Gain in-depth knowledge of luxury brands and how they approach marketing, retail and design
- Acquire insight into digital developments in the luxury market
- Develop transferable professional business skills
- Build personal networks through opportunities to interface with leading professionals and fellow students
- Be prepared for employment in the luxury and commercial art worlds, and the global creative industries
- Expand your knowledge in key art areas of your choice

How does it work?

The Christie's Education Luxury Masterclass takes a full year to study, and start times are spaced conveniently throughout the year. When you register, you can choose your optional online courses and decide which seasons of study work best for your schedule. The virtual courses are held live and happen at fixed points throughout the year. Don't worry: no matter when you join the Masterclass, you will have the opportunity to study all the courses required for your certificate.
